about

22 Maggio Istanbul was established in 2020 with the aim of bringing a new breath into home textiles, with the desire to build a real bridge between Italy's design-intensive approach and Turkish manufacturing quality.

22 Maggio Istanbul established with the family's experience of more than 40 years in the home textile sector; aims to redefine Turkish textile by combining quality, luxury, comfort, creativity and sustainability with elegance.

Along with these goals, to prevent excessive consumption, which is the problem of today's world, and to be a part of the change in the new world order; offers long-lasting, sustainable, high-quality products with its unique designs.

Along with being a guest at your home with its extensive collection, 22 Maggio Istanbul Be- spoke also offers personalized projects and prepares collections completely tailored for you.
